

Coral Triangle Conservation Fund Update

Bali, Indonesia

8 - 9 December 2025

The CTI-CFF 20th Pre - Senior Officials' Meeting

Donor support for operationalization of the Coral Triangle Conservation Fund (CTCF):

1. Personnel Support

CTCF CEO was funded by the U.S. Department of the Interior (US DOI).

2. Advisory and Institutional Consultancy

Technical advisory services related to institutional setup and financial strategy were supported by USAID SUFIA Technical Support (TS) & WCS

3. Logistical and Operational Support

USAID Sustainable Coral Triangle (SCT) provided funding for the initial office setup, travel-related expenses, and basic operational costs.

4. Technical Support

Strategic technical inputs on trust fund design and sustainable finance mechanisms provide by Wildlife Conservation Society (WCS) and the Conservation Finance Alliance (CFA).

⚠ As of January 26, 2025, donor support for Items 1–3 (personnel, advisory consultancy, and office setup) has been officially suspended following the directive from the U.S. Government's due to the foreign aid reevaluation policy
