Looking Forward

MoU:

- ❖ Provision of technical assistance and expertise to CTI-CFF programs and working groups
- ❖ Joint capacity-building programs, training, and knowledge-sharing activities
- ❖ Collaborative research and scientific publications
- ❖ Development of joint funding proposals and resource mobilization initiatives
- ❖ Support for the CTI-CFF University Partnership and Scientific Advisory Group

Opportunities:

- ❖ April 2026 Ocean Summit for Pacific Region hosted by the PNG Minister of Fisheries could enable alignment ahead of COP 31 in Turkey
- ❖ Ocean Impact Summit June 2026, with Presidents/Prime Ministers of the CT6 countries
- ❖ Our Oceans Conference 2026, Kenya, to reaffirm the coral commitment and support additional CT6 countries in joining
